SCONCE / FLUSH MOUNT

A refined expression of cubism applied to a circular flush-mount sconce, the juxtaposition of bronze mirror glass, translucent alabaster, and the housing of oil-rubbed bronze melds in a distinctive design of raw soulfulness. A discrete LED disc backlights the fixture.

**Model Number**  
MH10

**Dimensions**  
12" W x 7.75" D x 12" H

**Lamping**  
LED Puck

**Materials**  
Alabaster

Bronze Mirror Glass

Oil Rubbed Bronze
